Stacie Nicholson began the meeting at 3:30 p.m. with introductions of committee members.

Minutes from the October 29 meeting were approved unanimously as written.

Committee members were given a notebook of SAFAC proposals and were asked to look over them before our next meeting.

Meeting dates were set for Wednesdays at 5:00 p.m. on the following dates: February 20, February 27, March 6, March 13 and March 27. If a committee member is unable to attend a scheduled meeting, they should contact Jennifer Holland at 581-2969.

The committee went on to discuss the most efficient approach to the recommendation process. Scott Richard Klein suggested that the committee request a dollar figure from John Sterling, so that the committee has a starting point for the recommendation process. Stacie Nicholson and Victor Wong explained that, in previous years, the committee starts with the figures from last year's allocation. Depending on whether there was an increase or decrease, the committee then decides what to do with the discrepancy in funds on a case by case basis. John Veal suggested that the committee use caution in recommending allocations to new organizations.

Daniel Myers, Victor Wong and Melinda Nill were dismissed, and the Student Affairs Committee received two applications from new organizations who are requesting approval to be recognized on campus. Kappa Kappa Psi is the music honor society. The committee would like to see a constitution from the local chapter. The Council of African-American Fraternities and Sororities is seeking recognition on campus. The committee will consider these organizations at a later meeting.

The meeting was adjourned at 4:05 p.m.
