Academic Standards and Policies Committee
19 January 2006
Approved minutes

1. The meeting was called to order at 3:00.

2. Approval of minutes from 7 December 2006: Geiger moved to approve the minutes, Ferrell seconded. The motion carried.

3. Old Business: Course evaluations

Discussion centered on issues of administering the course evaluations, including the instructor's presence in the classroom, amount of class time, and setting aside days for course evaluation. The committee has received packets from Aleamoni (CIEQ) and IDEA, but not from ETS. The committee decided to table any further discussion until the packet from ETS is available.

5. Crawford moved to adjourn. Ferrell seconded. The motion carried.

Respectfully submitted,

John W. Hodgson
