I. Degree program inventories from the Regents (Handouts)
   a. Check accuracy against what we think we are offering
   b. Check accuracy against what we publicize in the catalog
   c. Check accuracy against any web postings at the School or departmental level
   d. Check accuracy against degree check sheets
   e. Check accuracy against printed and electronic materials from the department.
   f. Please let me know in writing by October 7, 2005 of any discrepancies between the Regents inventories and our perception of what we offer. Also please advise me of any fixes made to web sites, brochures, etc.

II. Potential Salary Program. In the event a salary program comes to fruition this fall, Deans and Directors will need to be ready for a quick turnaround on salary recommendations.

III. Student Health Center Survey (Handout)
