Vice President for Academic Affairs

Procedure

In current university and Oklahoma State Regents for Higher Education policy, the grade entry “AW” for Administrative Withdrawal may be assigned by the Office of Academic Affairs to indicate that a student has been "involuntarily" withdrawn from class(es). The grounds for this assignment may be disciplinary, for financial reasons, or for inadequate attendance. The decision to assign the grade of “AW” rests with the Vice President for Academic Affairs, or designee, and the assignment of this grade may be initiated directly by the VPAA. The following procedure will be used by other parties to recommend to the Office of Academic Affairs the assignment of a grade of “AW”:

Disciplinary Reasons:

The Dean of Students, the Director of Student Development, or the Director of Athletics may recommend the assignment of an “AW” due to disciplinary actions including expulsion and suspension. This recommendation with justification should be forwarded directly to the VPAA.

Financial Reasons:

The Office of Financial Assistance, Student Housing, or the Business Office may recommend the assignment of an “AW” for financial reasons. This recommendation with justification should be forwarded to the VPAA through the appropriate Vice President.

Inadequate Attendance:

If, during the course of the semester, a student's class average falls below a passing grade due to inadequate attendance, the course instructor may recommend the assignment of an "AW" prior to the last date for an automatic withdrawal if this option is placed in the course syllabus and attendance standards are clearly stated. If a student has not attended class for a sufficient period such that thirty percent of the evaluative material for the course has been missed and the drop/add period has expired, then the faculty member may recommend Administrative Withdrawal to the VPAA through the department chair and dean. The faculty member must clearly indicate the date of last attendance on the request. Before such action is taken, the student will be notified through the university's Early Alert System of the status of his or her grade. Any student appeal must occur at that time. The student will be given a reasonable time to respond, after which time the recommendation for administrative withdrawal will be sent to the VPAA, or designee, for approval.

Approval Procedure

If the VPAA initiates the assignment of an Administrative Withdrawal, then appropriate parties should be notified and consulted. When the Office of Academic Affairs receives a request for Administrative Withdrawal, the following notifications and consultations should be considered depending on the source of the request:
