4 p.m., North Shepard 212

Present: Jennifer Barger, Scott Richard Klein, Keith Vitense, John Veal (ex-officio), Euna Chang, Michelle Coady, Marcus Natta, Stacie Nicholson, Cortney Weber, Jennifer Holland (ex-officio, non-voting), Linda Dzialo (ex-officio, non-voting), Josh Romano and Brenda Dally (representing Aggie Ambassadors)

Dr. Linda Dzialo welcomed members to the group and thanked them for their service to the Student Affairs Committee.

Jennifer Holland asked everyone to introduce themselves. She then explained the mission of the Student Affairs Committee and their duties during the academic year. The Student Affairs Committee is tasked with granting recognition to new student clubs and organizations. SAC members join the Student Activities Fee Allocation Committee, responsible for making recommendations to President Davis for the allocation of Student Activity Fees.

Stacie Nicholson was nominated for the Chair position of the committee. She accepted, and her nomination was approved by unanimous consent.

Brenda Dally and Josh Romano were present to explain their reasons for seeking recognition for the Aggie Ambassadors. Committee members asked questions about the purpose and duties of the Ambassadors, the amendment process and the source of compensation. Members also made recommendations for changes to the structure of organization's constitution. The Aggie Ambassadors were approved for recognition, contingent on the receipt and approval of an amended constitution.

Stacie Nicholson explained the purpose of Delta Mu Delta, a business honor society. Members made recommendations for changes to the constitution, primarily concerning the method of notification for meetings. Delta Mu Delta was granted recognition provisionally, as long as the amended constitution is approved by committee members.

Mrs. Holland announced that she will meet with the organizations, and send copies of the revised constitutions to committee members. She asked that members look over the changes made and send their decision by e-mail. She also announced that two clubs are working on the paperwork required to seek recognition. Those organizations will be seeking the committee's approval in the next few months.

A tentative schedule was discussed for the spring semester, and the meeting was adjourned.
