Dr. Snider moved that we approve as corrected, the program changes for education. Dr. Pazoureck seconded the motion. The motion carried.

Dr. Johari asked Barbara Pickthorn to read, as a point of information, a suggestion coming out of Faculty Council that the General Education and Curriculum Committees should be standing committees of the Faculty Council (Senate) and that the chairs would be members of the Faculty Council (Senate). No action has taken place on this suggestion.

After discussion about the course modifications from the School of Business the requests were tabled pending changes to the forms, clarification of prerequisites and possible addition of assessment data.
