CAMERON UNIVERSITY
FACULTY COMMITTEE
UN-APPROVED MINUTES
Monday, October 20, 3:30 p.m.

The meeting was convened at 3:30 p.m. in Room 104 of the Student Union.

Present: Warren, Chair; Fennema, Kingsley, Penick, Wright-Smith.
Absent: Bhattacharya, Bursten, Koll.

The committee’s discussion centered on the issue of faculty evaluation and what direction should be taken based on the data that had been collected from other universities concerning faculty evaluation. Professor Kingsley stated that the committee should look at the basic evaluation and promotion procedures of the handbook and make improvements where necessary. Professor Penick suggested using the flow chart method for developing a skeletal procedural process. Professor Wright-Smith volunteered to document the committee’s work and produce a powerpoint presentation for discussion at the next meeting. The meeting was adjourned at 5:15 p.m.
