Members absent: S. Lee

The committee reviewed, discussed, and voted on seven cases. None of the cases were recommended for approval. One case was removed from review pile because the student's gpa would make it above a 2.0 with academic forgiveness.

All committee recommendations will be sent to the Vice President for Academic Affairs for approval.

The committee will meet in the Shepler Ballroom at 1:30pm with the students who submitted appeals to discuss the committee's recommendations.
